	6	8	H63F6Y-8	H63DHF6Y-8
	6	12	H63F6Y-12	H63DHF6Y-12
	6	20	H63F6Y-20	H63DHF6Y-20
	12	8	H63F12Y-8	H63DHF12Y-8
	12	12	H63F12Y-12	H63DHF12Y-12

*Spot Pattern

† Each model number designates the color or finish of the head housing and mounting plate:

61F6B-8 = Beige Finish

To specify a different color or finish, change the designator letter(s):

B = Beige

BK = Black

W = White

62F6W-8 = White Finish H61F6BK-20 = Black Finish

61/H61 SERIES

Single 5" PAR-36 housing and single gang mounting plate. Fully assembled with swivel and lead wires.

61DH/H61DH SERIES

Double 5" PAR-36 housings and round single gang mounting plate. Fully assembled with swivel and lead wires.

62 SERIES

Single rectangular housing and single gang mounting plate. Fully assembled with swivel and lead wires.

62DH SERIES

Double rectangular housings and single gang mounting plate. Fully assembled with swivel and lead wires.

63 SERIES

Suitable for NEMA applications. Single 5" PAR-36 housing and gasketed, die cast mounting plate. Mounts to 4" round box. Fully assembled with swivel and lead wires.

63DH SERIES

Suitable for NEMA applications. Single 5" PAR-36 housings and gasketed, die cast mounting plate. Mounts to single gang round box. Fully assembled with swivel and lead wires.
