### Unit Information

	Steel with Beige Finish			
	Lamp Volts	Lamp Watts	Single Head w/ Mounting	Double Head w/ Mounting
PAR-46 LED Sealed Beam	6	5	LS55F6B	LS55DHF6B
	12	5	LS55F12B	LS55DHF12B
PAR-36 LED Sealed Beam	6	5	LS53F6B	LS53DHF6B
	12	5	LS53F12B	LS53DHF12B
LED Wedge Base	6	1.5	L53F6B	L53DHF6B

† Each model number designates the color or finish of the head housing and mounting plate:

53F6B-8 = Beige Finish    55F6C-21 = Cocoa Finish

To specify a different color or finish, change the designator letter(s):

B = Beige

C = Cocoa

GY = Grey

PM = Painted Matte Chrome

W = White

53F6GY-8 = Grey Finish

55F6PM-21 = Painted Matte Chrome Finish

### 53, H53 & 65 SERIES

Single 5" PAR-36 housing and single gang mounting plate with powder-coat finish. Fully assembled with swivel and lead wires.

### 53DH, H53DH & 65DH SERIES

Double 5" PAR-36 housings and round mounting plate with powder-coat finish. Fully assembled with swivel and lead wires. Mounts to 4" junction box.

### 55 SERIES

Single 6" PAR-46 housing and single gang mounting plate with powder-coat finish. Fully assembled with swivel and lead wires.

### 55DH SERIES

Double 6" PAR-46 housings and round mounting plate with powder-coat finish. Fully assembled with swivel and lead wires. Mounts to 4" junction box.
